A perfect cross between the exotic Oriental and Trumpet Lilies. Sonata Lilies combine the two into flamboyant, sideways facing blooms with a gentle scent, similar in shape to Oriental lilies.

NEW: Sonata is a newcomer, first seen at the Dutch flower auctions in April 2004. It is especially delightful for its unusual colors including show-stopping two-toned varieties and colors not usually seen in Oriental lilies.

LASTING: Outstanding vase life up to 18 days.

LENGTH: Large impressive blooms: 4" to 8". Stem lengths: 28" +

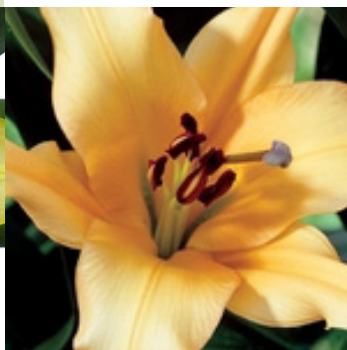

BUNCHES: Standard bunching size: 10 stems. Also available as Consumer Bunches.

HISTORY: The Romans and the Greeks crowned their brides with lilies as a symbol of a pure and fruitful life.

CARE & HANDLING: Upon arrival cut stems and place into a clean container with fresh, tepid water with fresh flower food solution. Remove any foliage below the water. Keep in cool location out of direct sunlight and drafts. Replenish water as needed.
